Beyond "buttons"

and "pages"...

An aerial, black-and-white line-art style illustration of a marina. A large, multi-story building with a curved roof and a flat section is the central focus. The building has several windows and a small structure on its roof. In the foreground, two long piers are filled with numerous boats of various sizes, including yachts and smaller vessels. The water is represented by light, wavy lines. A green circular graphic is overlaid on the left side of the image, containing the 'live on' logo and the text 'Introducing...'.
